## *From the President:*

Phil Widmer

After the dust has settled over a long 4th of July rodeo run, I did not hear one person complain about the mud in the arena. With the 4th behind us it is now county fair time. I am glad to see that the number of rodeo entries keeps going up. It will soon be finals time so if you can help your association by getting a sponsor or two it would help out a lot. Also please remember that the one person that you do not want to upset is the rodeo secretary. So be nice and polite please. Out of time off to the county fair. Good luck and drive safe one the rodeo road.
